Refund with Waiver

- 100% refund if you cancel before the deadline date. Includes waiver and trip cost.
- 100% refund if you purchase a waiver and need to cancel after deadline because of illness. Waiver Cost is never refunded after Deadline Date. (See OPC waiver and insurance policy).

Refund Without Waiver

- 100% refund after all tickets are sold and we can sell your ticket.

Insurance

- OPC will include in the cost where OPC deems it necessary, a private insurance carrier. You will fill out the form and send it back to OPC.
- The insurance policy itself will determine the criteria for refunds on cancellations.

OPC Waiver

- You need to purchase waivers on or before deadline date – no exceptions.
- No waivers on trips where individual insurance applies.
- Waivers are for persons not able to go on trip because of illness. (A spouse or live-in caregiver who has signed up for trip with a waiver may also be refunded if nursing care is required). Doctor verification may be requested.
- If you go on a waiting list on or before the deadline date and if you want a waiver, you need to pay that amount along with the cost of the trip at that time.
- If you sign up/go on a waiting list after the deadline you would not be eligible to purchase a waiver.

❖ We have two (2) kinds of waivers:

1. Cancellation waiver due to illness.
2. Single Supplement waiver due to roommate unable to go.
