

SNOW DAY CLOSURES

OPC will be closed, if Rochester Community Schools close, because of snowy/icy roads. Please listen to WJR 760 or WWJ 950 on your radio dial or tune to Channel 4 or other local stations where they display closing information. The minibus may run later in the day if roads are plowed, salted and the weather clears. OPC will also try to get the home delivered meals out. Please do not call the minibus line to see if the buses are running. The minibus line is busy with people making appointments for the next day or staff making calls to the riders scheduled to let them know if we can pick them up. Evening (5:00 pm) programs may meet if we have staff and the weather is clear. If you are in a paid class, you will be called.
