Thank you everyone for your incredible support of the OPC’s operating millage renewal! We are thrilled with the combined approval of 76%! It truly shows how the seniors and disabled are consistently valued in our communities. As we proceed into this next decade please be assured that our mission has not changed and we will continue to provide dynamic programs and supportive services to keep our members healthy and independent!

Step right up and enjoy the greatest OPC Senior Drive-Thru Picnic on Earth and never leave your car! Enter the main parking lot and drive through a classic car show while listening to music provided by the Rochester HS band. Surprises & giveaways await you and the finale is a delicious picnic lunch-to-go which can be enjoyed at a location of your choice; home or at an area park. This quote by P.T. Barnum pretty much sums up the OPC’s motto of keeping our programs fresh and inclusive especially during these times. “No one ever made a difference by being like everyone else.”

The month of September’s changing weather compels us to shake off our summer laziness and do something and there’s plenty to do at the OPC either under the garden tent, portico or with virtual programming. Regular exercise and social activities are essential under normal circumstances, however, during C-19 it’s more important than ever. Exercise and social connections boost the immune system that may help fight off infections, plus it’s a mood-booster and can reduce stress levels and build emotional resilience. Enjoy the nice variety of activities being offered this fall for your body, mind and soul.

OPC member Angela has participated in several garden patio activities and this is what she had to say about OPC’s program efforts during the crisis, “I was feeling in a funk and being able to participate in the virtual and now outdoor activities has given me the purpose I needed to get up in the morning and out of the house. I feel so lucky to be part of the OPC!”

See you at the picnic!

RETIEMENT and ESTATE PLANNING after the SECURE ACT
Presented by: Thomas J. Del Pup, JD CFP®
Tuesday, September 15 | 1:00 pm

The SECURE Act is the most consequential tax law change affecting retirement savings and distributions since the creation of the IRA and 401(k). Over the next 30 to 40 years, an estimated $30 trillion in assets will pass from baby boomers to their heirs in the United States alone. Some say this will be the largest private transfer of wealth in human history. The Act contains many beneficial provisions, and the elimination of the “stretch” IRA for most non-spouse beneficiaries will have significant financial/estate planning and income tax retirement consequences. Presentation highlights include:

- How the SECURE Act affects existing retirement and estate plans.
- How the SECURE Act affect distribution rules from IRAs and other retirement accounts.
- Strategies to consider in response to the changes brought by the SECURE Act.
