Introduction
Introduction (1 of 3)

- Online registration using MyActiveCenter (MAC) will enable you to register and pay for OPC Fitness & Aquatics passes and many Fitness & Aquatics and Enrichment & Art activities online. Activities are listed alphabetically and many titles are followed by a suffix (MTWThF for day of the week or AM/PM for day/evening activities).

- Members who are using online registration for the 1st time will need to follow the instructions in this document for “New Users (Activating your Account)” prior to the instructions for “Purchasing an Access Pass” or “Registering for an Activity”.

Once you have created/activated your account, subsequent logins should follow the instructions “Sign in (Established Users)” prior to the instructions for “Purchasing an Access Pass” or “Registering for an Activity”.

Both new and established users should remember to follow “Logging Out” when his/her purchase is completed.
Your OPC Key Tag number and phone number are required to create an account for online registration. **NOTE:** If your phone number does not match the one the OPC has on file you will not be able to create an account. If the OPC does not have your current phone number, please call 248-656-1403 to update it.

MyActiveCenter allows only 1 account per E-mail so if you share an E-mail address with your spouse, follow the instructions in the “**Adding a Spouse**” section to share an account.
**NOTE:** MyActiveCenter works best with Chrome or Firefox. Using Internet Explorer (IE) or a mobile device may produce irregular results.

- Drop-in activities are designated with a “Check w/Staff” price tag. Drop-in fees apply to these activities and are paid to the instructor or at the OPC Fitness or Aquatics Desks. Registration IS NOT REQUIRED for drop-in activities.
